

Dear Hacker, Welcome to San Francisco.

Now is the time for you to explore the city, eat some amazing food, and make friends! Enclosed in this envelope is a food stipend of \$15. Please feel free to use it wherever necessary. Here are some amazing restaurants to try:

- The Melt
- Mixt
- Dumpling House
- Diya
- The Halal Guys
- The Market (bunch of food options there)
- El Tepa Taqueria

Please try to avoid the following:

- Getting hit by cars
- Walking on the streets alone (try to go in groups)
- Try to avoid walking around Tenderloin district
- DO NOT ACCEPT CANDIES FROM STRANGERS

Be back at Figma before 2:30 PM to get back into the building. If you don't get back in time, good luck.

Between now and 2:30 PM, your mission, should you choose to accept it, is to complete 22 quests. You can find those behind this letter. Each one of these will lead you to incredible places and you shall be rewarded if you complete all of them. The faster the better. You must come to the inspection desk by 2:30 PM latest. You are required to bring photographic proof of your tasks.

Until then, tally ho
